

## **Tips for teaching the Arabic Alphabet Forms**

### Sample Daily Class Routine

1. Review past forms with flashcards; give student dictation if time permits (call at a letter and tell student to write the beginning, medial, and end forms)
2. View TJ Arabic Alphabet II lesson to introduce forms of new letter
3. Practice writing the forms of the letter with TJ worksheet
4. Use a mus-haf or ahadith book to locate words with the new letter in its various forms
5. Finish the session with a quick flashcard review (and dictation if time permits).
